WINE MACHINES

Our machines feature around 28 wines that constantly rotate through our always changing wine selection. With each bottle featured you can do a TASTE (1oz), HALF GLASS (2.5oz), or FULL GLASS (5oz). Each individual screen will have all the information for the wine below. For the machines, our workers can preload a card behind the bar with any amount you wish. There is a \$2 new card fee but this card will not expire and you are able to reload that same card as you come back. Once your card is loaded you have access to all of our machines to SIP and enjoy!

OUR BOTTLES

We have an ever changing selection of wine on the shelves for our customers to try and enjoy.

For each bottle, we have a coordinating tag with the bottle name and two different prices. The top price listed includes a corking fee, if you were to open the bottle to drink and enjoy in house. The bottom number is our retail price, if you were to take the bottle with you to go.

Buy 6 or more bottles to go and receive an extra 10% off our normal retail price.
